This is going to be one WILD year in leadership! Much of the traditional role of leadership will have to change to accommodate...well...the elephant in the room...or uh...virus...yea...

We are excited to work together to unite our AACT family despite the tumultuous state of the world. We are confident that, if we work collaboratively, this is going to be an amazing year! You are some of the most amazing kids on the planet and we cannot wait to hear all of the extraordinary ideas you come up with!

COURSE ACCESS- Content for this course will be distributed through Microsoft TEAMS.

REQUIRED ITEMS – You will be required to bring these items to class everyday!
Pen, Pencil, markers...whatever suits your fancy!
Notebook Paper

GRADING - Your grade will be based on points in this class. At the end of the semester your points will be divided by the total possible points and converted to a percentage. You will be given points for activities, etc. You will be given a zero for any missing assignment. We strongly encourage class participation and effort. This will also be a significant factor in determining your final grade.

The grading scale is as follows:

90%-100% A 80%-89% B 70%-79% C 60%-69% D

CELL PHONES –Use common sense and be respectful.

MAKEUP WORK - It is YOUR responsibility to get the makeup work BEFORE or AFTER class from the teacher. You are still responsible for all the material covered in class on the days you missed. Trusted

classmates are great resources to help you catch up on what you missed in class and maybe even let you photocopy their notes!

Please note that it is to your benefit to complete the assignment(s) as quickly as possible – make-up work piles up fast and only adds to current work.

LATE WORK – Life happens, we get it...but please try to get your late work turned in as soon as possible!

CLASS EXPECTATIONS –Students are expected to behave as young adults while in our classrooms. We will be working with a variety of expensive and potentially hazardous materials – inappropriate behavior will not be tolerated. Other expectations are simple and include:

- be prepared – always bring required materials to class.
- be respectful – of everyone and everything in the room; leave bad stuff at the door.
- be on time – in your assigned seat and ready to work when the bell rings.
- Be positive – it is contagious...let's make this class fun!

Failure to follow the above expectations will result in a verbal warning, a hall “conference”, a detention “conference”, a phone call home, and an office referral, usually in that order. Serious offenses will result in more serious and immediate consequences.

Finally, please remember that it is our job to help you learn. If you do not understand something, please ASK. We don't know unless you communicate with us. We look forward to a positive and productive year!
