- ❖ **Remind:** Please text @aactgeo to join 81010 to join remind.
- ❖ **Assignments:** Assignments will be posted on Microsoft Teams and in infinite campus.
 - **Late Work:** Students may complete late work for a unit up to the day of the unit test for 80% credit.
 - **ALEKS:** ALEKS is an online program provided by the school district for all geometry students. Students will choose topics on ALEKS to review and set up topic goals.
- ❖ **Quizzes:** Quizzes will be given throughout each unit to assess student understanding.
 - **Retakes:** One retake will be allowed for each quiz.
- ❖ **Tests:** Tests will be given at the end of each unit.
 - **Retakes:** One retake will be allowed for each unit test. In order to retake a test, the student must complete corrections on their original test.
- ❖ **Semester Exam:** Students will take a district-wide comprehensive multiple choice exam for their final first semester. Second semester, students usually take a state-wide “end of course exam” which covers material from both first and second semester. This year, the EOC exam will not be given, and the district will create an alternative exam. No retakes are offered for the semester exams.
