

Pre-College Math
Mrs. Watts
Room 107
kwatts@washoeschools.net

Course Description:

This course is designed to provide students with the necessary algebra skills to be successful as they progress towards college level mathematics. The focus of the course will be on operations of integers, rational numbers, and real numbers; polynomials, rational expressions, exponents, radicals, graphing, systems, and quadratics, among various other topics.

Grades:

- ❖ All grades posted in Infinite Campus for this class will reflect the following grade scale:

100% – 90% = A

89% – 80% = B

79% – 70% = C

69% – 60% = D

59% – 0% = F NO CREDIT

- ❖ Grades will be calculated as follows:

Assignments (In-class and MathXL): 20%

Quizzes: 25%

Tests: 40%

Semester Exam: 15%

- ❖ **MathXL Assignments:** Assignments will be done online using MathXL. Scores will be based on the number of questions answered correctly. You may retry a problem as many times as you need to get the correct answer. Click the “Similar Exercise” button to retry the problem.
 - **Late Work:** Students may complete late work for 80% credit.
- ❖ **Quizzes:** Quizzes will be given throughout each unit to assess student understanding as we progress. These will be free-response and will encompass a smaller, more concentrated amount of material than the tests. **No calculators.**
 - **Retakes:** Students can retake each quiz one time.
- ❖ **Tests:** Tests will be given at the end of each unit. They will be free response and work must be shown. **No calculators.**
 - **Retakes:** One retake will be allowed for each unit test.
- ❖ **Semester Exam:** Calculators are not permitted on the final exam.
- ❖ **Remind:** Please sign up for remind by texting @aactmath to 81010.
