

Fall 2020

Welcome!

Here is some general information for you in this rather unprecedented year:

My Website: [addisonwilhite.com](http://addisonwilhite.com)

Course information, assignments, videos, will be run through this website for the hybrid and distance learning that will be happening this year. Just click on the specific class (Film, 9th Grade Honors, 10th Grade Honors) that you are taking with me.

In addition I will be using Microsoft Teams, Remind, Loom, Zoom, Flipgrid, and probably a few other platforms and technology tools throughout the year.

If you are in need of any technology please contact me or the school. There are a lot of different things we can do to support you as a student during these challenging times. Just ask!

Honors Sophomore English:

This is a brief overview of the content of my 10th Grade Honors English course. During this year we will be using various literature and projects to explore the idea of Human Nature. Examples of books include: Lord of the Flies, The Tempest, Night, MAUS, I am the Cheese, The Assault, and other non-fiction selections. We will also do some sort of projects including an Online Media Magazine, School of the Future Project, and Identity Seminar.

This course is near and dear to my heart because the curriculum has been designed by me based on my expertise and interests. It has also proven to be engaging and fun for the students!

Let's get started!
